\$10 per family — covers the cost of the book

It's hard enough to train kids to behave, but good behavior isn't what Jesus calls for in the Bible. God wants hearts and souls that are shaped in vibrant faith and love toward Himself and others. Spiritual Parenting is a six week DVD series that will help empower parents to be the primary nurturers of their children's faith. Families will be transformed as they learn how to create space for God encounters in everyday life. The DVD series is led by Dr. Michelle Anthony. A former professor at Biola University and Talbot School of Theology, Dr. Anthony has written over a dozen resources for Christian Education and Family / Youth Ministries.
